Key Details

- Maymester (May 12 - June 4, 2025)
- We will go to world-class theatres all over the city to see a minimum of twelve productions.
- We'll explore neighborhoods and cultural sites on foot—using London's Underground transit system to expand our reach.
- We'll wind our way through London's lush parks and alongside the Thames.
- We'll also get to know London through its restaurants and markets.

Program Fee \$3,750

Estimated in-country costs of \$600-\$800.

Transportation to London is purchased by student

Program fee includes lodging, most shows and cultural visits like Westminster Abbey, Shakespeare's Globe, Parliament, Tower of London, and Stratford, a transportation allowance, and welcome and farewell meals.

SCHOOL OF
THEATRE

In Spring we'll see theatre together here on campus and talk about it together, beginning the practice we'll engage in London.

We'll discuss the travel, theatre-seeing, London-exploring, Theatre and culture-discussion, and writing and creating plans.

We'll answer practical questions about travel necessities and practices.

We'll get to know each other a bit before we go on this adventure together.
